

POLY COMBO BINS

7000 Series

These versatile, multi-use Double Wall, non-insulated containers are ideal for food, chemical, and pharmaceutical industries. Our 7000 series bins provide improved in-plant handling and over-the-road hauling capacities. Scientifically engineered for added strength and rotomolded of FDA/CFIA approved polyethylene. Tough, durable, and lightweight.

- Seamless, one piece construction.
- Double wall for extra strength.
- Extra thick at corners and floor to resist impact and wear.
- Reinforced top edge adds strength and resists splitting.
- Smooth seamless surface is easy to clean.
- Nestable.
- Optional drain available.
- Stackable 2 high with optional lid.

Item Number	Dimension L x W x H inches CM	Weight LBS KG	Capacity
